

REMARKS

In response to the election requirement in the Office Action of June 8, 2005, Applicant hereby elects with traverse the Species VII, illustrated in Figures 11 and 13. Claims 1-3, 17-19, and 21-27 have been canceled, claims 4, 5, and 20 have been amended, and new claims 28-31 have been added. Claims 4, 5, 20, and 28-31 read on the elected species and are subject to examination

Further, Applicant believes that Figure 12 should be included in Species VII which includes Figures 11 and 13 since Embodiment 7 (described in page 36, line 24 - page 38, line 14) in which Figure 11 is described in detail discloses that "with regard to the CPU, a detailed description is omitted here because it was explained in the Embodiment mode 5." Thus, it is respectfully submitted that Figure 12 should be included in the elected species.

Examination on the merits is requested.

Respectfully submitted,

Eric J. Robinson
